暨珠光豪庭“4A”级园林景观盛大开放

尊享·成功·286—383m²法式ROCOCO工法别墅, 钜现邮城

These are distinctively different at Nacré Heights. You'll find yourself surrounded by extraordinary beauty as soon as you walk through the door. World-renowned architects capture nature's design and detail, skillfully combining modern style and timeless regional traditions. Walls are adorned with original works of art. Hand-crafted deep woods like French oak, Red and White Oak are designed to combine understated sophistication and distinctive regional character.
